We are always looking for volunteers to help with coaching, fundraising, staffing home tournaments and serving on the committee to plan and keep this program running. Wrestling expertise is not a requirement for many needs we have! We are also looking for business sponsors, as well, to ensure we have the supplies we need to continue to keep kids on the mats. Sponsors can make an impact through donations as little as \$50. Please consider ways you can help keep this program running successfully!

My child has recently been seen by a physician and is healthy enough to participate in rigorous physical activity. I will hold harmless the Cadillac Area Public Schools, Cadillac Wrestling Club and Northeast Michigan Wrestling Association (NEMWA) and its coaches, employees or members from any injuries or accidents that may occur as a result of participating in wrestling.

What Does My Child Need?

Wrestlers will need wrestling shoes and headgear. These can be purchased at sporting goods stores or online. We have a limited number of shoes and headgear that may be available to borrow on a first-come/first-served basis. Wrestlers practice in shorts and a t-shirt. We will issue singlets for wrestlers to wear during meets. These must be returned at the end of the season!

Where Will My Child Wrestle?

Most meets and tournaments will be within an hour of Cadillac. Tournaments for the Competitive and Youth Seasons occur on Saturdays, often starting at 9:00am and ending in the early afternoon.

We hope to have a full schedule soon, but dates and locations will be subject to change.

Parents/Guardians are responsible for providing transportation to and from tournaments.

Why Wrestle?

Wrestling is a great sport that develops agility, strength and mental toughness. Wrestling is a great way to build a “base” of athleticism for other sports. Unlike some sports, an athlete’s size is not a limitation, because there are many weight classes. Wrestling is a great way to support one another and build friendships. It’s also fun!

Wrestling isn’t just for the boys, either – it is one of the fastest growing sports for girls in the country!

When, Where and How Much?
